## L'APPENNINO PER IMMAGINI

...affiora in flora un'essenza d'amore...  
ah quale parola pur scientifica  
o emozionata potrà  
elogiarti appieno madre radiosa:-  
intanto ammirarti  
godere i cari stupori in silenzio  
e in silente preghiera grazie  
cosmica madre anche degli umani

da "Contemplando il sole"  
di Walter Chiappelli
